The University of North Carolina at Greensboro
Bryan School of Business and Economics

EDUCATION

University of North Carolina at Greensboro <i>PhD in Economics</i>	Expected in May 2022
University of North Carolina at Greensboro <i>Masters of Arts in Applied Economics</i>	December 2018
Appalachian State University <i>Bachelor of Arts in Economics</i> <i>Minor in Mathematics</i>	May 2017

EXPERIENCE

The Center for Housing and Community Studies at UNCG <i>Economist, 30 hours/week</i>	August 2021 – Present
<ul style="list-style-type: none">• Lead, manage, and collaborate on a diverse set of state and local-funded projects to evaluate health, housing, and criminal justice policy.• Develop and estimate and econometric models to answer complex questions.• Manage and maintain large datasets. Advise graduate assistants.• Communicate technical results to key stakeholders.	
The Department of Economics at UNCG <i>Graduate Assistant, 20 hours/week</i>	August 2018 – July 2021
<ul style="list-style-type: none">• Led efforts to estimate the cost savings of mental health policy in North Carolina using Medicaid claims and encounters data.• Used linear and nonlinear difference-in-differences models to estimate cost savings of mental health pilots.• Worked closely with the North Carolina Department of Health and Human Services to coordinate data-sharing agreements and communicate results.	
The UNCG Green Fund <i>Principal Investigator, periodic work</i>	May 2018 – November 2020
<ul style="list-style-type: none">• Won three research grants to research topics related to sustainability at UNCG.• Developed models to explain and predict hourly energy consumption in 100 on-campus buildings using weather and occupancy data.• Facilitated the creation and deployment of an online dashboard to present modeling results that update in real-time with new data.• Led and advised teams of graduate and undergraduate students.	

TECHNICAL STRENGTHS

Statistical Software	R, SAS, Stata, Python, RShiny, MATLAB
Tools	rMarkdown, LaTeX, Git

WORKING PAPERS

“Adolescent Depression and Adult Earnings: The Roles of Direct and Indirect Effects”

Job Market Paper

“Estimating the Cost Savings of Tiered Care Coordination for At-Risk Youth: Evidence from North Carolina”

With Jeremy Bray

“Adolescent Mental Health and Adult Labor Market Outcomes: A Scoping Review”

With Jeremy Bray

WORKS IN PROGRESS

“Estimating the Cost Savings of High-Fidelity Wraparound: Evidence from North Carolina”

With Jeremy Bray

“The Cost Savings of Eviction Mediation: Evidence from Guilford County”

With the Center for Housing and Community Studies

“A Package to Estimate Treatment Effects in Poisson Fixed Effects Models”

GRANTS AND AWARDS

Modeling Energy Consumption II

Principal Investigator

\$11,233, UNCG Green Fund

May 2020 – Nov 2020

Modeling Energy Consumption I

Principal Investigator

\$3,780, UNCG Green Fund

May 2018 – August 2018

LED Retrofitting Analysis

Principal Investigator

\$4,158, UNCG Green Fund

May 2018 – August 2018

TEACHING

Intro to Business and Economic Statistics (ECO 250)

Instructor of Record

Summer 2020

Intermediate Microeconomics (ECO 301)

Teaching Assistant

Fall 2017 – Spring 2018

SERVICE AND EXTRACURRICULAR

Green Fund Committee Member

August 2019 – Present

Senator for the Graduate Student Association at UNCG

August 2018 – August 2020

Southern Economic Association Conference (2018, 2021)

2018, 2021

Presenter and Attendee

Appalachian Student Ambassador

Feb 2014 – May 2017

Presenter at the Global Leadership Summit in Bloemfontein,
South Africa

July 2015

FELLOWSHIPS AND AWARDS

Betty Conley Brooks and Robert Charles Brooks Masters Fellowship in Economics	2018 – 2019
Beta Gamma Sigma Honors Society	2018 – Present
Spartan Graduate Scholar	2017 – 2019
Minerva Grant	2017 – 2018
